-Christmas and New Years of 2016/2017 fall on a weekend. We will be OPEN for those that need the care in the surrounding days, but with shorter hours to be announced.

*These will be Training and Teacher Appreciation Days. The staff are required to have a minimum of 15 hours of continuing education and training. We want to ensure that the staff are CPR and First Aid certified as well as equipped to teach and handle your children in any situation. It is our wish to provide this training for free to our staff members this year.
